COUNCIL ACTION EXECUTIVE SUMMARY SHEET

CITY OF SAN DIEGO

DATE: 09/25/2012

ORIGINATING DEPARTMENT: Transportation&Storm Water Dept

SUBJECT: Accepting Funds For Bus Stop Improvements

COUNCIL DISTRICT(S): Citywide

CONTACT/PHONE NUMBER: Stephen Celniker/619-533-3611 MS 609

DESCRIPTIVE SUMMARY OF ITEM:

The City receives a portion of the revenues from advertising on bus benches and bus shelters on City streets through a program administered by the San Diego Metropolitan Transit system (MTS). This action accepts and expends \$104,359.43 of revenue from bus bench and bus shelter advertising for street capital improvements near bus stops.

STAFF RECOMMENDATION:

Approve the resolutions.

EXECUTIVE SUMMARY OF ITEM BACKGROUND:

The City receives a portion of the revenues from advertising on bus benches and bus shelters on City streets. The program is administered by the San Diego Metropolitan Transit system (MTS) per an agreement approved by City Council Resolution R-304026 on July 29, 2008.

Under the Agreement, MTS will send the City a fixed amount of \$69,600 annually from their revenue from bus shelter advertising, and a variable amount from their revenue from bus bench advertising based on market conditions. This year the City's share of bus bench advertising revenue is \$34,759.43, which when added to the revenue from bus shelter advertising results is a total of \$104,359.43.

The City's use of the funds is limited to improvements such as bus pads in the vicinity of bus stops. The City's roadway maintenance efforts are enhanced by concrete bus pads because the pads hold up better to the wear and tear of bus stopping and starting than does asphalt pavement. Concrete bus pads reduce pavement cracking, heaving, and potholes.

Locations are selected by staff from MTS and from the City's Street Division based on an assessment of the frequency of bus service and the condition of the pavement. The cost of a concrete bus pad ranges from about \$8,000 to \$25,000 per location, depending on site conditions. Priority locations for this round of funding include University Avenue at Herbert Street, University Avenue at Vermont Street, Clairemont Mesa Boulevard at Convoy Street, Clairemont Mesa Boulevard at Ruffner Street, and Convoy Street at Kearny Mesa Road.

FISCAL CONSIDERATIONS:

This action authorizes the expenditure of \$104,359.43 for capital improvements in support of bus stops. The revenue from advertising on bus benches and shelters.
